Popis

We offer you this magnificent flat, with beautiful sea views from its balcony where you can enjoy the evenings of the beautiful sunsets. It is located in the well known Ocean View complex. In the best areas of the south as it is close to everything but in a quieter area. It is newly refurbished and fully furnished so it is ready to enjoy it or use it as an investment and holiday rental. Currently it is already rented for long term at 1000€ per month, we offer you the option to continue with the tenant or to buy it without tenant if you prefer. Another point to take into account apart from the good location is the community fee which is only 40€ and includes internet service. If you are looking for a modern flat with a terrace and nice views in a very good area, this is your chance.
